

CLERK: 25 ayes, 0 nays, Mr. President, on adoption of the Marsh amendment to the resolution.

SPEAKER BARRETT: The amendment is adopted. Back to the resolution as amended. Anything further, Senator Marsh? Senator Landis, your light is on. Senator Landis, would you care to discuss?

SENATOR LANDIS: I will be voting for the amendment, but it does strike me that we ought to think about a rule that begins that first day, when we have very little to do, with a resolution that says, we hereby congratulate all basketball winners, all football winners, all volleyball winners, and all famous people that die in our districts in the upcoming year, whoever they may be, and pass it in perpetuity on the first day, on a down time. I think it might be a time-saver. Just a thought. I just thought I'd interject it into the discussion.

SPEAKER BARRETT: Further discussion? Seeing none, those in favor of the adoption of LR 315, as amended, please vote aye, opposed nay. Record.

CLERK: 22 ayes, 0 nays, Mr. President, on adoption of the resolution.

SPEAKER BARRETT: LR 315 is adopted. LR 316.

CLERK: 316, by Senator Haberman, is found on page 1268. Recognizes and commends Jerry and Kathy Kuenning for receiving national recognition in the outstanding young farmer program.

SPEAKER BARRETT: Senator Haberman.

SENATOR HABERMAN: Mr. President, members of the body, we are on my resolution. Is that correct?

SPEAKER BARRETT: That is in the affirmative. (Laughter.)

SENATOR HABERMAN: Before I start on my resolution, I would like to assure Senator "Bradford" (laughter) that...that when I am finished explaining what my resolution is, I would like to add now, instead of at the end, that we have a beautiful pond out here, on Kuenning's farm, and your swim team can come down and swim any time they want to. I'm going to repeat it, just briefly. There are four outstanding young farmers picked every
